

# Exclusive Corporate Hire at *Jenius Social*

Jenius Social is a vibrant venue that offers a flexible space for inspirational events. It is a multi-purpose venue that's available for private hire for a range of functions. Think team-building events to forward-thinking business meetings; product & PR launches to lifestyle photoshoots; impressive private dining to evening receptions & social celebrations.

Jenius Social is situated in The Studios Islington, just round the corner from Holloway Road tube or a short stroll from Highbury & Islington station. A stone's throw from Arsenal's Emirates stadium, it also has Islington & cosmopolitan Upper Street within easy reach. Want to inspire your team? Private dining to impress your clients? Hire us and we can offer exclusive access to Jenius Social for you and your guests. Plus, our team of friendly staff will then be on hand to add the personal touches to ensure your event is a runaway success.

## *What We Can Offer*

Jenius Social is the perfect space to hire for distinctive and brilliantly bespoke corporate events. If you want to create a buzz around your company or bring together your staff you could hire us for:

- Bespoke team-building events: food & drink masterclasses and cookery know-how
- Dry hire for meetings with state-of-the-art technology & on-site catering
- Space hire for sleek product launches
- Exclusive private dining & client entertainment
- Bespoke corporate events: tell us what you want & we'll make it happen

## *Bespoke Team-Building Events*

Want to inspire your staff to even greater heights? Come along to Jenius Social and we'll make it happen. Our food & drink-based team-building events are aimed at networking and motivating, providing a timely boost to your business with some laughs along the way. We can offer a wide range of made-to-measure cookery classes, ranging from our popular mystery box to Tapas- take a look at our list of classes to get the full taste.

We can also supply a range of bespoke masterclasses such as wine & cheese, cocktail-making, chocolate and whiskey which your staff are sure to love. Plus, if we don't list a class you want, just ask and we'll provide it especially for your business. All of these cookery courses and masterclasses can be tailored to your business-specific needs but one thing we guarantee with them all is a large dollop of fun. Your staff will get to devour whatever they create and will go home with a raft of new skills.

## *Innovative Business Meetings*

Hire this innovative and creative space for your meeting and it's sure to get your team fired up and your business soaring. The space comes with state-of-the-art technology, plus the light and airy backdrop gives room for ideas to breathe. Hire us and we'll set it up to create the ambience you want: traditional boardroom, theatre-style or cabaret.

The seating plan options are:

- Boardroom
- Theatre style
- U-shape
- Cabaret style

High speed wireless internet access is available throughout the site.

Our in-house chef can provide a delicious continental breakfast menu and buffet lunch for your delegates which you can book in advance with the Jenius Social team. We also offer a canapé menu if you want to put on a drinks reception in the evening, as well as a full menu taking advantage of the best seasonal ingredients. Take a look at our sample catering menu for further details.

## Exclusive Private Dining

If you're looking for an elegant and intimate private dining venue to impress your clients or staff, then we fit the bill. We can provide a bespoke lunch or dinner menu, buffet menu or canapés for a stand-up reception.

Our in-house chef can tailor the perfect menu and ambience to match, plus you and your guests will have exclusive use of the venue — we can even decorate the space to suit your theme. Our team of attentive staff will ensure everything is taken care of, right down to the last detail. Take a look at our delicious sample menus created by our head chef.
