## Testimonials

### Cake Decorating with Debenhams & Kenwood

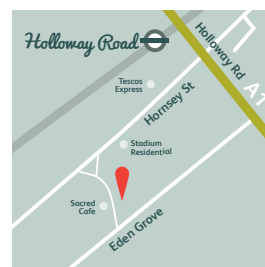

"Jenius kitchen is a great venue for events, a space you can adapt to be your own and fit in with your branding. We had a great team who helped from start to finish, including the finer details. Their chef was great at leading the group and we had such great feedback from our attendees on the kitchen team. Highly recommended." Denbenhams PR team

### Norwegian Seafood Global Sushi Challenge

"Jenius Social was a fantastic venue for our sushi event across 2 days. Jennifer and the whole team were approachable, friendly, professional and couldn't do enough for us. The event space was vibrant, clean and perfect for our event. We look forward to working together again in the future." Emily Cox, Bray Leino, PR Manager

### Great British Chefs - Sweet Eve D-Day Street Party Street Party

"Nothing was too much trouble for Jennifer during the build up to the event, whilst on the day everything ran like clockwork. From choosing the menu, helping to plan and come up with creative ideas, to the flexibility of the room layout and the service at the event itself, Jennifer and her team at Jenius Social were more than keen to 'go that extra mile' to ensure it was a huge success" Tim Rosenberg, Business Development Director, Great British Chefs
