## Testimonials

### Retail Marketing Group, Team Building

*"We recently hosted a corporate event with Jenius Social. The space is beautiful but for me what stands out is the service. Nothing is too much trouble and the management and team there will always find a workable solution to hit your event objective and budget. Quick to respond to emails and queries and the feedback from the event has been great. I highly recommend Jennifer and team to host your next event be it business or social."*

Emma Trigg, Client Services Manager

### MoneySuperMarket.com Team Building

*"MoneySuperMarket engaged Jenius Social to lead, organise and manage our annual marketing team offsite and cross functional team building exercise. We were massively impressed by the structure, agenda and quality of activities provided on the day and the team took a lot from the experience. The attention to detail on service and making the team feel welcome was very impressive! Great choice for a corporate offsite!"*

David Harling, Digital Marketing Director. MoneySuperMarket

### GoCardless Team Building

*"We were looking for something different for our monthly team events, Jenius social made this possible for a really good price. We were greeted with yummy canapés and wine before starting our cocktail making class which included 2 cocktail lessons and a group cocktail competition. Everyone was made to feel really relaxed and welcome, which is not an easy task for such a large group of people (47). The next day everyone was raving about what a great night they had and I got lots of compliments for arranging it which is always a plus!!! Thanks to Jen and the other guys at Jenius for a wonderful evening"*
